

2020 WORKING BEES GROUNDS MAINTENANCE

Working Bees at St Mary's are fundamental to maintaining safe and orderly learning environments for our students. There are so many tasks to do with such a large school ground that we need all the help we can get!

To assist planning for this year we are asking each family to attend **ONE Working Bee** and to indicate which session (listed below) suits best.

As an incentive this year the families that attend a Working Bee date will be rebated the \$100.00 working bee levy from their account.

In an effort to cater for everyone, we will hold Working Bees across a range of days and times. If these dates do not suit you please contact the office and schedule a time that will be appropriate. If you are a tradie, we would appreciate your expertise at times, so please let us know your skills below.

Please complete and return the form to the office by Monday 18th March 2019.

We looking forward to seeing you all,

Veronica Fraraccio
Deputy Principal

Please complete and return to school before Tuesday 25th February, 2020
