

TERM THREE 2019 LEVEL 3/4 INFORMATION

RELIGIOUS EDUCATION

In Term Three we will be learning about the Holy Spirit and the Pentecost Story as the Grade Six Confirmation Candidates prepare to receive the sacrament of Confirmation on Friday 26th July. In preparation for our parish Feast Day, The Feast of the Assumption of Mary, we will be learning about the life of Mary. We will continue to deepen our knowledge and understanding of the important role we can play in looking after our world by being stewards of God's creation.

INQUIRY

We will continue to explore how we can be “Wildlife Warriors” by fighting extinction for local animals that are threatened or endangered. We discovered a wealth of information about endangered animals by participating in the Fighting Extinction Program last term. This term we plan to use this knowledge to design and create ways to help the conservation of a local animal – the Powerful Owl. The following questions will help drive our thinking and learning;

1. What are the **Rights** of animals?
2. What are the **Rights** of human beings?
3. In our world what is **Fair**?
4. What does home mean to you?

As part of this unit of work students will be going on an excursion to Healesville Sanctuary on Wednesday 31st July – more details to follow soon.

Social and Emotional Learning

This term the Grade 3/4 students will continue to develop the values and mindfulness skills we learnt during our Life Skills session last term. We will learn about the values of team work, respect, honesty, resilience, courage and kindness and develop tools to help our well-being. These skills and strategies will help guide us to live our school motto of “Love Above All”.

Homework

Homework will be given to the children on Monday and returned on Friday. It could include a Maths, Inquiry and/or Literacy tasks. It is expected your child will read every evening to a family member or to self. Homework will begin in week two.

SPECIALIST CLASSES: PE, ITALIAN, STEM AND LIBRARY

3/4F Monday: Library / Tuesday: Italian, STEM, P.E
