

TERM TWO 2019 LEVEL 3/4 INFORMATION

RELIGIOUS EDUCATION

In Term Two we will be focusing on Eucharist and our role in being Stewards of the Earth.

We will be preparing many of our students for their First Holy Communion and teaching students the Importance of this Sacrament in our Catholic tradition.

We hope too, that our Inquiry will lead students to understand the important role they can play in looking after Gods Creation. How their decisions and actions can have consequences.

INQUIRY

Our topic for this Term's Inquiry is, "Wildlife Warriors". We are very excited to be taking part in the Fighting Extinction Program run by Melbourne Zoo. We will be learning about the issues associated with threats to, and the conservation of, local and endangered wildlife so that we can be informed stewards of God's Creation.

As part of this unit of work students will be going on an excursion to both the Melbourne Zoo and a Twist of Willow Reserve.

Please note dates as listed below

Social and Emotional Learning

In Grade 3 /4 we strive to follow our School Motto "Love Above All." This can be seen in the way we learn and guide students to maintain positive relationships and be resilient. This year the whole school focus is on relationships with the theme "Head, Heart, and Hands".

Homework

Homework will be given to the children on Monday and returned on Friday. It could include a maths, Inquiry or literacy task. It is expected your child will read every evening to a family member or to self.
