Inquiry

Our topic for this Term's Inquiry is 'Game Changers'. We will be learning to walk in another persons shoes and how we can 'Rise Up and Reach Out' to others. We are learning that reconciliation can nurture and heal our relationships with ourselves, others and God.

Social and Emotional Learning

In Grade 3 /4 we strive to follow our School Motto "Love Above All" by building positive relationships and having empathy for others and for their environment. This year our whole school theme is "Rise Up, Reach Out". We will identify the ways in which can rise up and reach out in our families, our school and the wider community.
